

What Will It Be Like When The Church Dispensation Ends?

By Jan Lilleby

One thing is for certain, the minute the Church age is over the Lord will take hold of and 'own' all media whether newspapers, TV channels – private or public – and He will rule all military powers in the entire world, including super-powers like USA, Russia and China.

From now on no leader of state, military or other big enterprises can do anything unless the Lord has approved it. He will hold His hands on every detail in the process leaving nothing to coincident.

God and Christ in heaven will take command of all their movements and decisions. He will even impress certain thoughts and ideas in their minds to make them carry out His will and His agenda!

In Rev. 17:17 we are told that God put the thoughts into the mind of the anti-Christ to destroy and burn the Babylon harlot – so that the prophetic words of God can be fulfilled.

This is how it actually was in the times of Jesus and the apostles. God had a hand in all the dealings of the Roman Empire. And Paul described this kind of rule – so the Jews could understand that they would have to abide and submit to this rule of the Lord. Paul also taught in Rom. 13:1-5 that the Romans carried the sword to punish evil, and that the righteous would not be stricken with such punishment. The Romans, in other words, policed over the unfaithful Israel. God used them as His army!

This was only valid during the time of the apostles, and was dismissed the same moment that the Church dispensation was established, by Paul writing Ephesian- and Colossian epistles. Israel fell from God as seen in Acts 28:25-28 – they would not repent so the Lord could heal the land. They were destroyed because of this. But the arrival of Moses and Elijah in near future is a mission to purge and cleanse and elect a new Israel for the Lord, all of them believing on Jesus Christ.

In His prophetic parable in Matt. 22:7 of the King's servants (which were the apostles) He called the Roman Army for 'His soldiers' – as Jesus clearly set forth Himself as the king who would send this army to kill the persecutors of the apostles. Not only that, but the army would burn their city, Jerusalem. And this was fulfilled in 70 AD.

But as we have had almost 2000 years of the free grace dispensation – as displayed by the Church and the grace gospel of Paul, the apostle to the Gentiles, God has not brought any form of doom or judgments on earth. It has been the rule of mankind and our way of trying to keep law and order. The WW 1 and 2 were not doom or judgments from God; we ourselves inflicted those upon this world, and with great losses of lives and materials.

But at the prophesied arrival of the two witnesses in Rev. 11, Moses and Elijah, God are taking back rule and judgments and will have these two great prophets of the Lord administer the Great Tribulation, which Jeremiah called 'The time of Jacob's trouble', Jer. 30:7.

The same as Jesus called a 'tribulation which there had not been the likes of in history, and which there would be nothing like in the world after that'. This tribulation in Israel will be the 'All Time Low' in her entire history and existence. Matt. 24:21.

Isaiah called that tribulation climax for 'The day of vengeance of our God', Isa. 61:2. Jesus deliberately left out that line of words, and read only the first half, that of the 'Acceptable year of the Lord' in His speech in the Synagogue at Nazareth, knowing that the day of vengeance was in the far future due to Israel's disobedience and unbelief.

In this article I have taken the liberty in making three fictive, but very probable newspaper front pages...as the arrival of the two prophets in Rev. 11 will cause great calamity and fear inside Israel, and also therefore via TV Medias and newspapers inflict fear and astonishment in the rest of the civilized world.

The events caused by the two witnesses in Rev. 11 are so extreme and strikingly powerful, that their actions will overtake the front-pages around the world instantly!

This is the fearful and imposing mandate they have – as described in Rev. 11:6,

"These two witnesses have power to shut up the sky, so that no rain may fall during the days of their prophesying; and they also have power to turn the waters into blood and to smite and scourge the earth (land of Israel) with all manner of plagues as often as they choose."

This, dear reader, means that such signs/punishments will be cast upon Israel; in a repetitive sense. It says 'As often as they choose'.

It means for instance, as they first use the bloodied waters to shake them up and getting Israel's attention, they will call this plague off if Israel say they will repent to Jesus Christ. However, the shutting up of the sky for rain seems to be held fast in all the 1260 days of their time prophesying.

The two are 'dressed down' in sack cloth (which was used by prophets of old as a sign of sorrow and repentance) – but in

real power they lack nothing: Fire will strike from heaven upon their word, and consume their foes if anyone tries to harm or kill them! This is found in verse 5, and will obviously also happen. They will open fire against them, hoping to get rid of the plagues and punishments they cause upon Israel. But Israel will fearfully and trembling watch as fire like lightning falls from above, entirely consuming them, no corpses left.

The blood-sign comes back with fierce and frightful power in Rev. 16, after the departure of the two prophets. But as Moses used that sign as the very first action against Pharaoh Ramses II, I believe this will also be the case when Moses confronts the Knesset parliament in Jerusalem, prophesying against them.

Here is my first two futuristic ideas of how a major newspaper's front page would look like when these things starts happening:

WHERE ARE THEY?

Millions of people around the world have disappeared, and they have one thing in common: Christians!

By Bernie Blunt, Chief of Journalists

There is yet to learn what happened yesterday, as companies of all levels experienced the great lack of staff arriving on job. I happen to know a Christian believer, who by the way is still with us. He was (most of the assembly have disappeared) member in one of the Baptist churches in New York. He cried a lot when I came to his apartment... but here is his theory - which by the way - also could be the truth, of what has really happened:

Well, my name is Allen McEllen - and I cheated and stole from other people in various ways. I said I was a Christian, but did not take heed to what the Bible talks of proper Christian life and morals.

That is why I am still here on earth, while the majority of the church members are gone...they have been taken to heaven, just as it says in Col. 3:1-4, that Christian believers will be appearing with Christ in glory. What the apostle Paul wrote of this matter is now proving to be absolutely true, as Eph 5:5 clearly says that greedy people like me are not to inherit the Kingdom of Christ and of God. I fell for love of money, and so I cannot be taken into heaven at this stage. I am going to the police to confess to my crime - and have now repented.

TOTAL CHAOS IN JERUSALEM!

It is already out on the TV channels here and abroad: Two men have appeared in Jerusalem, whom marched right in to the Knesset sessions, and started to "prophesy" of a vast disaster to come upon Israel shortly. Jewish Rabbis are in great dispute over this. The men introduced themselves as Moses and Elijah, believe it or not. They quoted Rev. 11!

We apologize for not being able to publish a full newspaper.

Simply because many of the staff are gone, they all were considered being Christian!

Please bare with us as we try our best to re-organise.

EYEWITNESSES TELL

Millions of Christians around the world disappeared, - here we picked three local eyewitnesses

By Bernie Blunt, Chief of Journalists

STATEN ISLAND - A neighbor of Pastor Rick Manning, Bill Peterson, stood at his front porch (Old Farmers Ln.) waving hello to him as he parked his car in front of the garage. Manning climbed out of the car as his wife opens the front door of the house to greet him. Mr. Peterson was about to say hello to both of them, but before he got to it all of a sudden Manning and his wife were gone, like, in a blink of an eye. Good Mr. Peterson, not a Christian, thought he had missed a glimpse and that they had gone in to their house, since the door was still left open. He called their names and went through the entire house. They were nowhere to be seen. Vanished into thin air.

GRAND CENTRAL STATION - A private group of people stood outside one of the entrances, and their luggage and bags with them. The busdriver - Ed Steinberg - was about to say goodbye to his passengers. As he watched, five of the eleven travellers just disappeared into thin air! Their luggage stood where they had left it. People began to cry and howl. The disappeared travellers were all members of a Catholic congregation in Brooklyn.

MANHATTAN MID-TOWN - Inside the Hotel Park View stunned hotel staff tells the following: One of the staff rode the elevator down from the 8th floor. In it were four other people. Two of them obviously checking out as they had a bag each. While the elevator was descending...the latter just disappeared! The luggage left at the elevator floor. Hotel administration confirmed to us that the two guests were in New York participating a Christian conference in a Pentecostal Assembly. Their stay had been reserved by a staff of that Assembly.

As a journalist - all I can say is, we are witnessing an event of Biblical proportions, without a doubt!

PLEASE UNDERSTAND THAT WE CAN ONLY PUBLISH ON A DAY-TO-DAY BASIS

The conclusion of the Church age will not go unnoticed, I promise you. The world will remain in shock and awe over the disappearance of millions of Christian believers. My ideas

expressed here is rather limited. The TV media and papers will overflow with all kinds of speculations. This is not something that can be kept under a lid, hidden from public. The world will go totally 'bananas' over it.

And at the same time learn another shocking event, which is the arrival of the two prophets in Israel. Skepticism will quickly evaporate as the scaring blood sign strikes, and not the least when the sky over Israel is shut up for rain, causing severe drought. IMAGE: Jordan bloodied.

These two events – the disappearance of Christian believers on a huge scale world-wide, plus the judgments and signs cast upon Israel by the two witnesses – will rule and terrorize and dominate all the media-world during the entire 7 years of tribulation, up until Jesus comes down from heaven in great power and glory and with His armies of angels.

NOTICE: Since I am using fictive newspaper front pages to illustrate my idea of it all, I had to put dates there...using May in the year 2036. This must not be mistaken for any prophesy on my side. It is only a fictive setting, however so probable. It could happen earlier or later, we will not know. But these events will take place, for the Bible says so!

Here is the third front page of my little effort to give you an idea of how it all could unfold, media-vise:

NOTICE: If the images of these fictive newspaper front-pages comes blurry and not easy to read, please check the adjustment of your PC or Mac Screen settings. I apologize for any inconvenience in this regard. If you wish, I can email the

newspages to you. Just send me a mail!

ISRAEL IN SHOCK:

The two men who said they are Moses and Elijah, warned the Knesset that all waters in the land would be, quote, 'Turned into blood as of a corpse'.

And within the night of Monday it happened!

By Bernie Blunt, Chief of Journalists (I feel as if God urge me to write!)

The frightening and astonishing 'sign' (Moses used that expression) has been confirmed not the least by Israeli TV media crew, flying over Jordan, and the three lakes we know from the Gospels, Sea of Galilee, Lake Hula and Dead Sea. All colored Red!

The speech held by 'Moses' and 'Elijah' in Knesset was videoed and here are excerpts from them. Notice how they quote what is written in Revelation Book 11:6 of their ministry, power to send the blood-sign and to shut off rain... and repeating this at will.

'We are sent to Israel to start the 'Time of Jacobs Trouble' as was prophesied to you by Jeremiah 30:7. The prophet Isaiah called it 'The Day of Vengeance from Our God' in his book. Jesus Christ Who sent us to you, called these days for a time of great tribulation. So, tomorrow I prophesy to you that all waters inside Israel shall become as blood, like as from a corpse, a dead man. Let it awake you to regret your great sin of always having stood against the Lord Jesus Christ, your Messiah King! When it happens you shall know that we really are the prophets of the Lord. I started with making bloody waters in Egypt before Pharaoh Ramses II, and so the blood sign will be the very first punishment and sign to come upon you.' Moses also warned that fire will fall upon anyone trying to use violence against them to stop them!

Elijah ended speech as follows, 'There shall not fall any rain over Israel in the 1260 days we will stay here, you unrepentant land!'
